

Enroll Today In 3 Easy Steps:

1. Inform your local representative that you would like to participate in the program.
2. HoverTech will draft an HT-Air Placement Program Agreement tailored to your needs.
3. Fax or email signed HT-Air Placement Program Agreement and no-charge purchase order.

HT-AIR® PLACEMENT PROGRAM

The HoverTech HT-Air Placement Program is a convenient and cost effective plan that allows you to address your safe patient handling needs immediately – without delving into capital budget funds. Our expanded program includes the HoverMatt® Single-Patient Use (SPU), HoverSling® Lift and Transfer Device and Q2Roller® Lateral Turning Device.

HT-AIR[®] PLACEMENT PROGRAM

Program Overview:

One (1) HT-Air 1200 Air Supply and one (1) Universal HoverMatt Cart (optional) will be supplied for a total purchase of 50 each HoverMatt SPU, HoverSling, or HT-Roller products per year.* This averages to less than one device per week to qualify for the program.

- Flexible 36 month program
- Extended warranty on air supplies
- Utilize your GPO tiered pricing discounts

Program Benefits:

- Address infection control concerns
- Eliminate reprocessing issues and costs
- Affordable—no capital outlay
- Get started immediately
